PURPOSE/BACKGROUND:

This bill provides certain protections for existing off-premise signs and sign locations. It also provides clarification regarding the permitting of signs and updates the treatment of permitted sign embellishments. The bill reflects elements of a compromise agreement with certain billboard industry representatives resulting from legislation they sought during the last session of the Nevada Legislature. The bill is not a consensus bill; the Council will hear requests for changes from industry representatives, as well as the recommendations made by the Planning Commission.

RECOMMENDATION:

ADOPTION at 12/5/2007 City Council meeting pursuant to the 11/20/2007 Recommending Committee.
